Mission Goals

(SMART - Specific, Measurable, Achievable, Realistic, Timely)

1. To be "**Kingdom Minded**:" Develop a "kingdom-minded" Mission-Vision-Values (Spiritual DNA) as a foundation for all mission and ministry at Resurrection by June 2021.

2. To be "**Outward-Focused**:" We show our Love for the Savior by actively taking on an "outward-focus" mission and ministry mindset that is committed to reaching the lost with the Gospel by engaging in meaningful relationships with the surrounding community through 4 major Community Outreach events each year through 2023.

3. To be "**Missional**" by means of Small Group Ministry (MSG): We Equip believers for ministry through a fully functional and coordinated "missional" small group ministry that leads to relational and faith development among members and non-members through conversations focused on God's Word by 2023.

4. Cornerstone Ministry is "**Child Development Center (CDC**):" The CDC is a cornerstone ministry as a complementary and fully integrated part of our Mission and Ministry sharing the Good News of Jesus to our community by 2023.
