Resurrection Lutheran Church
Moving Towards God's Future For Us
August 2020

Mission:

Our response to Christ's Great Commission

We engage our community to connect people with Jesus.

Vision:

What it looks like when the Holy Spirit works through us in accomplishing our mission

We Love others as Jesus loves us.
We Equip people to Share the love and grace of Jesus
in our community when we minister and serve together.

Values:

"If RLC vanished tomorrow, what would the surrounding community miss by our absence?"

We will be known in our community as being biblically based,
developing meaningful Christ-centered relationships,
performing intentional outreach activities,
and providing a vibrant Christian Child Development Center.
